

What's new

The latest parenting and baby gear to hit the shops.

Product: Candy Cherry Stroller
Price: £264

Stockist: www.Candyuk.com
Weighing in at just 8kg – or 17.6kg for the stroller and wheels only – the new lightweight Candy Cherry stroller features an easy-to-use one-handed folding mechanism as well as a reversible and adjustable seat unit. It also includes an extra large shopping basket, adjustable foot with side viewing panel, all-over raincover, (3) wheels on rear of seat unit and a front-facing stroller when kitted. The stroller is extremely versatile with the option to add either a car seat or the Maxi-Cosi Cabrio when done to create a comprehensive travel system, while you have the option of both forward and reversed facing seat modes depending on which direction your little one is most comfortable facing, when out and about.

Product: Il Tutto changing bag
Price: £149

Stockist: www.iltutto.co.uk
The changing bag of choice for movie stars Nicole Kidman and Cate Blanchett, among other A-listers, the Il Tutto is made of soft beige leather and there isn't a hint of baby pink or blue in sight, making it ideal for trendy chicks who might prefer less room for a bottle or three.

Product: Knox Kompakt Kids
Price: £29.99

Stockist: www.planet-knox.com
If your favourite kids are into bikes and boards, you'll want to ensure they're properly protected. Bikeo protector specialist Planet Knox have introduced a CE Approved back protector specifically designed for children aged from 10 years. A free sizing chart is available on the Planet Knox website to make sure you get the right fit for your budding EVO Kiteboarder.

Product: Mactaren Junior Quest activity set

Price: £24.99
Stockist: www.mactarenbaby.com

As little girls seem to be fixed to play matts at some stage, so this activity set from Spain makes Mactaren take all those material boxes. You get the Junior Quest mat, plus a beautifully designed travel cot, bouncer and changing bag. And it's all wrapped up in the same stylish fabric that will fit on a Mactaren Quasi Mat.

Product: Kiddimoto Superbike & Scrambler

Price: £29.99
Stockist: www.kiddimoto.co.uk

Kiddimoto's multi-award winning range of wooden balance bikes are the ideal fun-learning tool for the next generation of cyclists. Without pedals or brakes, Kiddimoto is a proven platform to teach children the important motor skills of balance and coordination in a fun and controlled manner. An ideal first ride, Kiddimoto addresses the need for mothers, allowing children to quickly move up to a pedal bike.
