iCandy Peach Blossom 2 and Peach Blossom Twin 2

iCandy offers modern parents a stylish travel solution of the highest quality and excellent design in four stunning colours.

The iCandy Peach Blossom 2 and Peach Blossom Twin 2 offers parents a superbly modified version of our already outstanding peach travel system. The Peach Blossom 2 and Peach Blossom Twin 2 can accommodate our new extended converter bars which has allowed us to create a larger lower seat unit with a three position recline.
The Blossom Twin 2 carrycots are now the same size, meaning the child in the lower carrycot has more room, and with the addition of car seat adaptors (sold separately), it can now accommodate the Maxi-Cosi Pebble car seats.
With no compromise to all the great features of the original peach including the smooth manoeuvrability on the footprint of a single pushchair, the one hand easy fold and the option to use in single pushchair mode at any time, the flexibility far outweighs most existing double modes of transport.
