

**SKY PUSHCHAIR, £359, PLUS  
£119 FOR CARRYCOT  
ATTACHMENT, EASYWALKER**

This new Dutch three-wheeler – a bestseller across Europe – is landing on our shores this season. With its sleek design and cool colours it's bound to be a hit with us Brits. We're particularly loving its teeny-tiny fold.

**THREE FUNKY NEW  
TRAVEL SYSTEMS**

**MURA 4, £300  
(THREE-WHEELER),  
£330 (FOUR-  
WHEELER),  
MAXI-COSI**

Love that pushchair but wish it was a three-wheeler? The new Mura 4 comes either way; the choice is yours. The flat-fold carrycot is a great extra feature.

**APPLE SPECIAL  
EDITION,  
£699.99, ICANDY**

This pushchair/carrycot package comes with all accessories included (carrycot, rain cover, shopping basket, changing bag, parasol, foot-muff) in two new limited-edition colours: Black Magic or Coco. Add a Maxi-Cosi car seat and you've got your full travel system.

**FOR ME TRIO,  
£499, CHICCO**

This trendy little number is pushing the frontiers of travel systems with different sets of handlebars for its pram and pushchair modes, and a nifty hand-release brake. An excellent package.

**STREETY, £260 PLUS  
£110 FOR PRAM  
ATTACHMENT,  
BÉBÉ CONFORT**

We're loving the 'framboise' colour as well as its super-lightweight frame with one-handed fold and manoeuvrability. As with all good travel systems, you can also choose whether your baby's rearward or forward facing. Not bad for under £300!

**PAPOOZLE  
CARRIER, £45,

This funky new carrier blurs the traditional lines between carrier and sling. Guaranteed to inspire lots of copies – get yours now.
