iCandy®

PRESS RELEASE

iCandy Pear Tandem Pushchair: + optional extras

The **pear tandem** is a unique, stylish modular tandem **travel system** with twenty practical combinations for either twins from newborn, or a newborn and older child. It can also revert back to a single stroller at any stage. The large front wheels offer increased stability, while the multi-position seat units convert easily into carrycots, and car seat adaptors can be used to hold a Safe and Sound Unity car seat capsule (sold separately). The **pear** can be bought either as a complete **tandem stroller**, or created from the single **apple** stroller with the addition of the multi-functional '**pip**' converter upgrade pack.

- Suitable from birth for twins, or one newborn and an older child
- Tandem pushchair using the footprint of a single pushchair
- For continuous interaction, both babies can face the carer
- Fully independent reclining seats face either forwards or backwards
- Compact when folded, lightweight aluminium chassis
- Can be used as a single pushchair at any time, by removing the 'pip'
- All round suspension for a cushioned ride
- Adjustable soft touch comfy grip handle
- Comes with two rain covers, shopping basket and a pump
- Safety tested to Aus/NZ 2088:2000, Europe BSEN1888, USA ASTMF833-08

RRP $1299.00
Dimensions folded, 93L x 59W x 40H cms. Unfolded dimensions, 105L x 59W x 99H cms.
